

Crystal Clear™

Premium Media Filters by DAVEY

The Crystal Clear range has been specifically designed for the efficient and hassle-free filtration of water in swimming pools & spa pools

Benefits:

- Now with premium European designed and manufactured 6-way multiport valve with integrated sight glass & oil filled pressure gauge for optimum filter control
- One-piece UV stabilised and filament wound fibreglass & polyethylene inner tank (PE 18"-25" models only) for superior strength and long service life
- Davey's T-lateral design provides effective media utilisation leading to efficient filtration and longer durations between backwashing
- In backwash mode, the T-lateral design provides superior fluidising of the media bed, giving fast, efficient backwashing and water savings
- Robust, flexi-joint unions (18"-25" models) for easy installation and maintenance

GUARANTEE

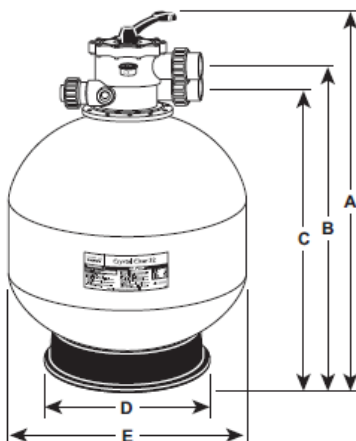

10 Years Tank
- 2 Years Valve
- 1 Year Other Components

OPERATING PERFORMANCE & MEDIA REQUIRED

Model	Description	Sand Required (kg / bags)	Zelbrite Required (kg / bags)	Max. Flow Rate (lpm)	Min. Backwash Flow Rate (lpm)	6 Hour Turnover (litres)	Filtration Area (m ²)
CCF18	18" Fibreglass	45/3	34/3	135	90	48,600	0.16
CCF21	21" Fibreglass	85/5	64/5	185	123	66,600	0.22
CCF25	25" Fibreglass	145/8	109/8	260	173	93,600	0.32
